CAR OR TRAIN?

"We must do something out of the ordinary if we are to get the extension to our train service," said Cr. H. W. Lee at the last council meeting.

During the taking of evidence by the Parliamentary Public Works Committee, Cr. Lee said two major questions were brought to the fore all the time — "How many private cars are in the area the extended train line would serve?" and "How many people in this area would use the train service?"

Up to this stage the answers have only been guesses and on going through the evidence Cr. Lee said he realises we must have more accurate replies.

One of the main arguments in evidence against the service was that with the creation of local industry in the Shire of Altona, few people had to seek employment outside the shire, therefore the train service was not required. But Cr. Lee believes many more people are employed outside the shire rather than within it.

He suggested that the Altona Shire Council sponsor a questionnaire to be circulated to every home in the area concerned. Questions to be asked would include—

Does the householder own a car?

Is the wage-earner employed outside the shire?

Would the occupants of the house use the train service?

Cr. Lee stressed that with this questionnaire they would not be prying into the private lives of residents, the sole reason for the action would

be to try and get a train service for these people.

"If we do not get the co-operation of these people, the case is lost," said Cr. Lee.

He also suggested that a sub-committee be set up to sift through the evidence which has been placed before the Parliamentary Public Works Committee and to make themselves thoroughly conversant with its contents.

Cr. S. McIntosh readily seconded the motions and said the time has come when the people of the west end must get together to help themselves for better transport. "It is essential that we have their co-operation with meetings, filling in of forms, &c," he said.

Cr. W. Cresser requested that industry in the west of Altona with employees travelling from other suburbs be asked to give their support. Cr. Lee replied the Committee would look after this request.

Council adopted both suggestions and Cr. J. J. Ginner nominated Crs. Lee, McIntosh and Hearn to the committee with the President, Cr. A. W. Bond, ex-officio.

LIFESAVING CLUB EXTENSIONS

At the last council meeting councillors of the Shire of Altona again expressed their dissatisfaction with the standard of the extensions to the Lifesaving Centre.

Cr. H. W. Lee said the report from the Architect for the building listed certain improvements to work but "This was not a full cover of the necessary alterations," said Cr. Lee.

The Lifesaving Club has £2000 towards these extensions and Cr. Lee said, "They want their money's worth." Also the council does not feel like making a final payment on the building unless satisfied.

To avoid overlooking any essential improvements he suggested a meeting of all interested parties so they may go over everything together and know what is going on.

With this in mind the council arranged a meeting of the Parks and Gardens Committee, executives of the Lifesaving Club, the architect and builder of the extensions for today, Thursday, May 2.

COMMONWEALTH YOUTH SUNDAY

All youth organisations will parade on May 5. Led by the Williamstown City Band the marchers will proceed at 1.40 p.m. from Grant Reserve, down Pier Street to an open air service of dedication and worship in Logan Reserve.

The service will be conducted by the ministers of Altona. An address will be given by Mr. W. J. Storey, Headmaster of the Altona High School.

The recital of the Queen's vows and the address of loyalty to the Queen and the Queen's reply will be read by three members of different youth groups.

Music for the hymns has been taped by the R.A.A.F. band under Squadron-Leader Hicks.

Shire President, Cr. A. W. Bond, appeals to all youth organisations to participate in the march and join in the service.

WATER SUPPLY— Pure or Polluted?

A greatly augmented water supply will be necessary to cope with the expected population of Melbourne in the coming years. The Board of Works has proposed the diversion of northern rivers to augment its existing storages. Evidence presented to the Parliamentary Public Works Committee by Mr. Horsfall, of the State Rivers and Water Supply Commission puts forward alternative proposals to use the waters of the Maribyrnong to partly supply the western section of the metropolitan area, including parts of Altona and Laverton. Also the use of polluted Yarra water below Warburton.

In presenting the report to the Altona Shire Council, Cr. J. J. Ginner strongly voiced his disapproval of Mr. Horsfall's scheme.

The rapid increase in the population of Melbourne and the associated industrial and housing developments are causing correspondingly high increases in the demand for water.

The Board of Works anticipates that the population to be served will rise to 2,500,000 in 1972, 3,400,000 in 1982 and 5,000,000 not later than the year 2000.

Demands on the water supply are growing at a slightly greater rate than the population served due to increasing industrial consumption. The economic limit of supply obtainable from existing catchments is 80,100 million gallons per annum. Works to develop this supply are being carried out as consumption rises.

A supply of 180,000 million gallons will be necessary when the population reaches 5,000,000 persons.

Many alternative schemes have been considered for augmenting the metropolitan supply from each of the following river systems—

The Yarra River, the Goulburn River and the Thomson River.

For more than 100 years the Board of Works policy has been the use of uninhabited forest catchments for water supply.

It is no exaggeration to say that the phenomenal growth of Melbourne is in no small measure due to the excellent quality of its water supply. Furtherance of this policy of maintaining an untreated supply is a feature of the Board's proposed schemes.

Mr. Horsfall proposed to utilise the waters of the Maribyrnong River which has

an annual flow of 25,000 million gallons. It is admitted that sterilization and filtration would certainly be necessary. In the areas concerned 75% of the water would be drawn from the Maribyrnong, the balance taken from the Yan Yean and Silvan Reservoirs.

In their efforts to provide a pure water supply for Melbourne the Board of Works strongly oppose Mr. Horsfall's scheme. They say the time is not ripe for the use of the water below Warburton and also condemn strongly the use of the polluted water of the Maribyrnong.

Analysis of the water in different parts of the river give 949-970 PPM for total solids, 1000 PPM's is approaching the limit for cattle.

Filtration as suggested by Mr. Horsfall would remove the turbidity, but some of the colour, and hardness would remain—neither of which would be improved by either filtration or storage.

Effluent from local factories ebbs and flows with the tide and during the summer of 1962 the condition of the water became so bad that the Board even endeavoured to prevent bathing in the water.

At other times condition of the stream has become so bad that fish have been killed and many complaints have been received of the stream.

In general, though it is the inferior quality of the water that is a very big bar to use of Maribyrnong River water for the metropolitan supply—for years its alternative name has been the Saltwater River.

Cr. Ginner's opposition to the proposal will be strongly supported by the people of Altona, particularly those living in the area concerned.

Apparently however chemically pure the treated water may become it would still have objectionable features.

Altona and Laverton, like the rest of Melbourne is entitled to a pure water supply. The effect on industry is not yet clear but is all important.

It is known that it would be necessary for certain industries to install treatment to rid the water of all traces of chlorine.

Our industries have been established on certain implied conditions, and a diluted water supply was certainly not one of them.

It is hoped that the Board of Works will be successful in its opposition to the Maribyrnong River scheme.

HAD KNIFE

At the City Court on Monday Richard Vernon was sentenced to three months goal for carrying an offensive weapon, and fined £10 in default 10 days goal for assaulting Mr. N. Coutts, a ticket examiner.

At Laverton last week on the 11.38 Geelong-Melbourne train Vernon produced a knife instead of a ticket when asked by Mr. Coutts.

BRIDGE NEAR COMPLETION

The Millers Road bridge over Kororoit Creek should be finished in July, said the Shire Engineer, Mr. R. C. Simmons, in reply to a question by Cr. H. W. Lee at the last council meeting.

Mr. Simmons said it may look as though not much headway has been made but the majority of the work is in the foundations and these should have been finished this week. The last pouring of concrete in the final cylinder was scheduled for yesterday.

After finishing the foundations the contractors should be able to estimate the length of time necessary for completing the bridge, and Mr. Simmons said he would request these details.

Mr. Simmons pointed out that a lot more extra work than originally planned had to go into the foundations and extra money had been paid to the contractors for same, therefore, it was only fair to give them extra time to complete the job.

When told that the contractors had not applied for an extension of time beyond the completion date specified

in the contract Cr. Lee suggested that if the contractors made an application for extended time the council would sympathetically consider it in the light of all facts.

To Cr. Lee's query on the width of the bridge Mr. Simmons said it was hoped ultimately to duplicate this section of Millers Road and then a second bridge would be built.

Two Towns

It is a far cry from Morwell to Altona. However, they have much in common. Their populations are almost the same. They are each young communities, which have experienced an explosive population increase. Incidentally, Morwell's brown coal has its counterpoint under Altona.

A recent visit to the Gippsland town reveals that both towns are meeting or have met the same problems. We list a few—

Morwell felt the need of a swimming pool. By community effort, later reinforced by Council-Government subsidy, they now have a fine standard size pool, including one for toddlers.

Altona is appealing for funds to extend its Elderly Citizens' Building. Morwell, by a Rotary inspired community effort, is now building its Elderly Citizens' Hall. Morwell for many years has had a municipal library with a children's section (in separate buildings). As a matter of information non-fiction books and fiction of an edifying nature are free, other books are charged.

Morwell is becoming increasingly concerned about its car parking problem. Altona is also concerned.

Morwell councillors believe that the proposed limit of 20,000 population and rates of not less than £160,000 are well below their standards for a city. They feel that a city should have some special distinction other than size. Our councillors may agree.

The shopping area and the football ground desire special mention. The flourishing shopping area is due to two facts. Morwell people now shop in their own district and the surrounding areas make Morwell their centre. Football supporters are prepared to make a round trip of up to 200 miles to follow their team. Up to £300 is taken at one game.

Progress in other directions has been almost identical. Churches, schools, kindergartens and clubs are equally represented.

While it is fitting that Altona should be proud of its progress towards the provision of amenities for its citizen, it is also desirable to take a look around and see what others also are doing.

Winners of sub-district competitions meet at a ground to be determined to decide district premiership. Visiting schools are requested to contact home schools to arrange venue for matches. Home teams please forward results to the district secretary as soon as possible after completion of the game.

FORESHORE IMPROVEMENT

The building up of sand bars offshore and the channel which has developed parallel and close to the foreshore east of the pier were examined by Mr. W. Wood, Board of Works Engineer, on March 27.

Mr. Wood recommended that a rock groyne be constructed just east of Millers Road, using the existing rocky barrier as a base.

As a first stage it was suggested that a groyne should extend seawards for a distance of approximately 200 feet.

As a second stage it might be necessary to extend the groyne for a further distance of approximately 300 feet seawards and thence westerly to give an L shape.

The purpose of the proposed groyne is to stop the drift of sand which tends to be carried parallel to the beach in an easterly direction.

It must be realised that the seaweed might be caught in the groyne and create a nuisance.

The Shire Secretary (Mr. J. W. Waters) was instructed to approach the appropriate Government Department for the funds necessary to complete the proposal.

WOMENS CHRISTIAN TEMPERANCE UNION

The Altona branch of the W.C.T.U. will hold their meeting next Monday, May 6, in the Baptist Youth Hall, at 2 p.m.

SEAHOLME PRE-SCHOOL

The next general meeting of the Seaholme Pre-School will be held at 17 Civic Pde. on Friday, May 10, at 8 p.m.

All interested mothers are invited to attend. In conjunction with the Altona Pre-School, the morning class will be journeying to the Essendon Aerodrome on May 8.

Please return the forms as soon as possible. There are still vacancies in the afternoon class for children over 3½ years, if eligible please contact Mrs. Clarke at the Methodist Hall in Seves St.

ALTONA WEST PRIMARY SCHOOL

Mothers of children attending Altona West Primary School are reminded that the next meeting of the Mothers' Club will be held at the school on Thursday, May 9, at 8 p.m.

Please attend and show an active interest in the welfare of the school.

And please keep sending donations of packets and tins of food, books, toys, dolls and dolls clothes to the school for the fete on Saturday, June 1.

If anyone has any musical records that are no longer wanted at home it would be appreciated if they would donate or lend them to the school for musical appreciation.

ALTONA HIGH SCHOOL

Last week the school held a practice fire drill and the students vacated the school in two minutes.

At a special afternoon assembly an Anzac Day ceremony was held, after which wreaths were placed on the Cenotaph.

During last week Forms I. and II. went to an orchestral concert and next Monday Form IV. will be going on an English excursion to see plays which they will be studying this year.

Get well wishes go to the Head Prefect, Terry Fogarty, who has glandular fever.

CONFIRMATION

Next Tuesday, May 7, Confirmation will be administered at 8 p.m. at St. Eanswythe's by Bishop Sambell, who is the Administrator of the Diocese of Melbourne during the absence overseas of the Archbishop.

A number of young people and some adults are to be confirmed. A large congregation is expected to assist these people with their prayers on this important occasion in their lives.

ALTONA NORTH TECHNICAL SCHOOL

Medical Officers are in attendance at Altona North Technical School.

They will be spending two weeks there and will be examining approximately 180 boys, mostly Form III. students.

This is a very excellent service by the Education Department to parents by helping detect defects.

G.F.S. SPORTS

Last weekend 22 girls from the G.F.S. of the Altona Church of England competed in the combined sports held at Caulfield.

Denise Tyrrell came third in the final of the 75 yards intermediate race.

Beverley Keeshan came 3rd in the intermediate sack race.

The girls won first place in the heat of leader ball but were too anxious in the final and fumbled the ball.

Lynette Dale won her heat of the junior skipping and Diane Beckett won a heat of the intermediate skipping but the finals of both events were too late and the girls had to go home without competing in them.

METHODIST LADIES GUILD

The Methodist Ladies' Guild will hold its birthday celebrations on Tuesday, May 7, in the Church Hall. Miss Ann Travaire, who is Women's Travel Advisor with T.A.A., is to be guest speaker.

On Mother's Day, Sunday, May 12, at 2.30 p.m., the Guild is to hold a Pleasant Sunday Afternoon. It is hoped this will be a real family function, when Sunday School children will come with their parents to share a time of fellowship.

LIFESAVING CLUB NEWS

Learn to swim members who are interested in keeping fit during winter months are asked to attend at the club-rooms at 6.30-7.30 p.m. on Monday nights for physical education. Also junior girls and boys of the Lifesaving Club.

Senior girls physical education will be held on Monday nights at 7.30-8.30 p.m. Senior boys on Thursday nights at 7.30 to 8.30 p.m.

Forty members attended the training at city baths last Wednesday night and all members are reminded that the bus leaves at 6.45 p.m.

President Mr. J. Byrne on behalf of the members, welcomed the club coach, Ken Smith, back to the club after his recent accident.

All members are asked to assemble at Grant Reserve at 1.30 p.m. next Sunday.

WORKING MEN'S CLUB NOTES

The dance held by the Altona Working Men's Club last Friday night was a rip-roaring success.

The hall was crowded, the band was good and everybody enjoyed themselves. But the younger fry proved their superior agility by winning the Limbo Rock.

Rene and Charles Baldwin are reluctant to get back into harness after relaxing on holidays for the past month. The last few days spent camping at Eildon were so enjoyable that even though the fish were off the bite they are planning more camping trips around Victoria.

Marg and Bill Spence are pending their holidays on a conducted tour of the Snowy Mountains scheme.

Before Parliament goes into recess Winnie and Charles Lamb decided to holiday in Queensland so as to avoid the annual trek north of politicians who wish to amuse themselves on Surfer's Sands. The Lams are touring the Sunshine State.

It is good to see Madge Beattie has been able to discard her walking iron and is able to drive the car again.

SCHOOL CHILDREN'S STALL

Last Saturday afternoon four girls from Altona West Primary School—Lesley and Janet Wigglesworth, Vera Thompson and Joan van Dyk—held a stall at Lesley and Janet's home and raised £2/4/3, which they have donated to the school. They sold dolls clothes, ash trays, drinks, lollies, flowers, toys and comics.

Local Girl Weds

Mr. Thomas Eden and his bride, formerly Miss Laurel Bentley, pictured after their wedding at the Presbyterian Church, Altona.

The bride is the only child of Mr. and Mrs. H. Bentley, of 169 Queen Street, Altona, and the bridegroom is the son of Mr. and Mrs. Eden, Reservoir.

A full length silk chiffon gown with train was worn by the bride. The front panel of the frock was appliqued with roses which had pearl centres. Her shoulder length veil was held in place with a headdress made of the same roses. She carried a bouquet of white carnations.

The sister of the bridegroom, Mrs. Mary Evans, was Matron of Honour and she wore a blue satin frock with pink accessories and carried pink carnations.

A pink satin frock with blue accessories was worn by the flower girl, Gail Rowson, and her bouquet consisted of pink and blue flowers.

The bridegroom had Mr.

Frank Bury, cousin of the bride, as best man.

Mrs. Bentley looked charming in her suit of slate blue with pink accessories.

A blue suit with black accessories was the smart outfit chosen by Mrs. Eden.

After the reception of 100 guests held in St. Mary's Hall, the couple left on a tour of Mt. Gambier, The Grampians and Albury.

ELDERLY CITIZENS' CLUB NEWS

Organised by Mrs. Lowman of the Committee 72 members enjoyed a wonderful Anzac Day trip to Shepparton where they were welcomed by the Senior Citizens' Club of that city. The hospitality of those enthusiastic people could not be surpassed. Their kindness, the refreshments and entertainment provided, made a memorable day.

A member of the St. John Ambulance Association always travels in each bus and for this service the club is indebted to Mr. and Mrs. Woodcock.

The kindness and thoughtfulness of the bus drivers are a major contribution to an enjoyable outing.

At the April Birthday Party last Saturday, the Wonkana Choral Society conducted by Mr. Hunter, rendered such delightful items that the time passed all too quickly. It was pleasing to be told by the singers that they could feel the club's appreciation. All did justice to the party

that followed. The club is eagerly looking forward to another visit by this Society.

The introduction of handicrafts, under the direction of Mrs. Gibson, is proving a wonderful success. Members are most enthusiastic and appreciative of the help given them.

WILLIAMSTOWN AND DISTRICT PROTESTANT CHURCHES JUNIOR FOOTBALL SOCIAL LEAGUE

The League got off to a good start last Saturday. All teams played well. No scores are at hand to date.

The President unfurled the plaque in the "Minute Book" last Saturday morning.

TEAMS REPRESENTED

Teams represented are—Altona Methodists, Newport Methodists, Gospel Mission and Williamstown Baptists, Spotswood Methodists, Holy Trinity, West Newport, and St. Andrews.

THEATRE PARTY

Last week supporters of the Infant Welfare and Pre-School Centres in Somers Parade had a night out at a city theatre.

Some couples have trouble finding parking spots "after the show," but they did not expect to have such difficulties before this show.

One couple cruised around for half an hour and made themselves late. Another couple thought they were clever by parking their car in a car park, but it was a different story at "home time"—they could not get their car out.

For the next theatre party one patron is going to insist on a nice quiet film as the elbow jolts of her neighbour who enthusiastically lived every exciting moment of the film are not worth the bruises suffered next day.

But the 130 patrons voted it a very enjoyable evening and Welfare Centre funds benefited by the sum of £32/10/-.

LAVERTON LADIES GUILD

A Ladies Guild has been formed at St. Clement's Church of England, Laverton. The first meeting was held last week and the following ladies elected office-bearers—Chairman, Mrs. O'Callaghan; Vice-Chairman, Mrs. Collins; Secretary, Mrs. Harvey; Treasurer, Mrs. White. The Vicar of the Church always acts as President.

Meetings will be held regularly every month. Ladies who are interested are cordially invited to come along. Watch this paper for the date of the next meeting.

VISIT TO BABIES HOME

Last Saturday 18 ladies from St. Eanswythe's spent an interesting afternoon at St. Gabriel's Babies Home, Balwyn.

At the home, which is run by the Mission of St. James and St. John, they saw 30 children ranging in age from 10 days to five years, of whom some came from broken homes, some had lost both parents in early life, and some were children of unmarried parents. Members of the group were impressed by the individual attention given to each child.

BOWLERS GO TO MILDURA

Saturday was a day of excitement for lady bowlers heading for Mildura. With half an hour to go Jess Grant could not resist the urge to go and with the help of fellow members, packed her bag and off.

Poor Bill Grant has been left to the household chores. Unfortunately due to rain and hallstorms, bowling has been held up. But the "girls" are enjoying themselves and plan returning via Adelaide.

LONG SERVICE AWARDS

In recognition of their long service, two Altona residents were the guests of their employers at a cocktail party held in the I.C.I. Building last Friday evening.

As a reward gold watches were presented to Mr. Cec Keeshan of David Street for 25 years service, and Mr. Francis Keeshan of Lynette Street, Altona, for the 28 years he has served the firm.

Mrs. Rose Keeshan and Mrs. Norma Keeshan, who accompanied their husbands, were presented with gardenia shoulder sprays.

HOLIDAYS

Holiday seekers at Mt. Macedon need a clear conscience.

Recently on the first night of their stay in a weekend house at Mt. Macedon, Phil and Jim Stevens had a visit from the C.I.B.

After Jim stopped shaking he discovered the C.I.B. member was a neighbour checking on who were the unexpected occupants of the house.

Jim enjoyed being held up by the snake charmer and the arrival of Glen and Jane McNeillage for the weekend rounded off the holiday for the Stevens.

Barry Gadsden and his wife have just spent a welcome break from toil by touring around Albury and Bright for a few days.

BON VOYAGE

Three nursing sisters from Footscray Hospital were given a Bon Voyage party in the Scout Hall, Footscray, last Saturday night.

Elwyn Curry, 153 Esplanade Altona, and Pam Edwards, of East Kileor, are going to Europe and Canada.

Alison Barker, of Footscray, is travelling to Scotland to further her training.

Among the 150 guests was Dr. Sahhar who proposed the toast to the girls which was responded to by Elwyn.

Sailing time for the girls is 5 p.m. on Thursday, May 2, on the Strathmore.

SENIOR RESULTS FROM SATURDAY

5 pt. Win for Metro Farm

METRO. FARM v. ALTONA.
Metro. Farm defeated Altona by five points in an exciting clash at Grant Reserve, Altona, last Saturday.

	Farm	Altona
1st Quarter	3 1 19	4 4 28
2nd Quarter	5 5 35	5 5 35
3rd Quarter	8 8 56	8 11 59
FINAL	12 11 83	11 12 78

Both sides showed tremendous speed from the outset and it could be seen early in the first term that the game was going to develop into a closely fought affair.

An interesting tussle was being staged in the centre between the rival captains, John Martin and Noel Rohleder, and with York dominating in the air, Altona should have been making full use of the breeze.

Bryan was roving well for Farm, whilst Combes was playing a good game for the home team on the half forward flank.

But Farm, keeping the ball low, offset Altona's aerial strength to be within nine points of the opponents at the first change.

The second term saw Metro. Farm adopt the long kicking game, only to be repelled by the aerial supremacy and strong defence of Altona's Harris and Richardson.

In attack, Piovesan had the upper hand over his opponent Murray, who was playing his first game with the Farm.

At the half time interval, Farm had only added two goals with the breeze, whilst Altona had managed one goal against the breeze, making the scores level.

Silly handball and short passing were Altona's downfall in an even third term.

Farm's backline, led by full back Wigg, was defending well and forcing Altona into making quick inaccurate shots for goal.

Altona were being beaten around the flanks and with the visitors reverting to the short game, they were able to hold the home team to a lead of only three points at "orange" time.

This had been a bad quarter for Altona and if any quarter was to be blamed for their eventual defeat this was probably the one. This quarter was highlighted by the goal John Peterson kicked while the siren was going. He marked the ball about 40 yards out from goal directly in front, went back to have his kick, and as the ball was sailing towards goal the siren sounded. Metro. Farm backmen going up for the mark heard the siren, pulled down his hands and allowed the ball to roll on through for a goal. This put Altona in front.

With the breeze stiffening, the visitors had an advantage, but Altona's back line, under pressure, repulsed many opposition attacks.

In a hard fought quarter, the game remained in the balance until, with only four minutes to go, Bevilacqua (Farm) from a long clearing kick, landed the ball in the forward zone where Craig, from 50 yards out, registered Farm's 12th goal and put them five points in front.

Sensing defeat, Altona immediately returned the ball to their attacking zone where Stephenson, from 40 yards out marked on the siren. His kick fell two feet short and Farm ran out victors by the narrow margin of five points.

Best players, METRO. FARM.—Bryan, Connolly, Craig, J. Cooney and Martin.

ALTONA.—York, Harris, Piovesan, Combes and Tisdale.

Goal kickers, METRO. FARM.—Steinberg 5, Bryan and Williamson 2 each, Martin and Gillett 1 each. **ALTONA.**—Piovesan 3, York and Newman 2 each, Rowson and Peterson 1 each.

'62 PREMIERS START WELL

I.N.F. v. WERRIBEE SOUTH

Before this most interesting game between last year's finalists, I.N.F.'s 1962 Premiership Pennant was unfurled by the I.N.F. President's wife, Mrs. E. Dowling.

	I.N.F.	W'bee Sth.
1st Quarter	3 1 19	5 1 31
2nd Quarter	9 2 56	7 4 46
3rd Quarter	14 3 87	11 6 72
FINAL	16 5 101	13 7 85

After a scrappy start, players of both teams settled down to a fast, open game of football. South were first to attack through the agency of Gouloupoulos and D. Dove. At the other end of the ground Sam Pante was in fantastic form for I.N.F. At the end of the first quarter South led I.N.F. by a handy two goals.

In the second term, I.N.F. settled down much quicker than their opponents and through the strong play of McKinley and Allan, forced the ball down to full forward Pante, who could not put a foot wrong.

South were being kept in the game by quick thinking handball to get them out of trouble, and some fine marking by Gouloupoulos and Munyard.

I.N.F. maintained their strength until the end of the first half to lead by 10 points.

At the opening of the third quarter, South were quickly into stride and added two quick goals to snatch the lead back from I.N.F.

I.N.F. had several players coming into the game at this stage and with Melican and W. Miller giving great drive from the half forward line, full forward Pante was able to

add five more goals to his personal account for the quarter. This was a good quarter for last year's top side who led by 15 points at three quarter time.

From the bounce to start the final term, Werribee South went straight into attack and midway through the quarter were only three points down.

I.N.F.'s backline, led by W. Miller, was defending strongly and held many of South's persistent attacks at bay. Sutherland and Sammartino combining well for I.N.F. enabled Dowling and H. Smith to goal and they ran out winners by 16 points.

I.N.F. and Werribee South still have some good players out of condition and in a few weeks these two sides should be back to their outstanding best.

Best players, WERRIBEE SOUTH.—Gouloupoulos, T. Stoilos, D. Dove, Munyard and Bloomfield. **I.N.F.**—Pante, Allan, Morris, McKinley and M. Miller.

Goal kickers, WERRIBEE SOUTH.—Gouloupoulos 4, D. Dove 3, T. Stoilos 3, L. Allison 2, and K. Comben 1. **I.N.F.**—Pante 11, Allan, McKinley, H. Smith, O'Malley and Dowling 1 each.

NEXT WEEK'S MATCHES

ALTONA SHOULD DEFEAT NEWPORT

In the main game in the Werribee Football League on Saturday, Altona should have no trouble in defeating Newport at Altona.

Derek York played well last Saturday and would only have to repeat that performance to cause headaches in the Newport camp.

Following their narrow defeat by Metro. Farm last week the locals appear to have too many "big guns" for Newport, whose ability is still an unknown quantity following their convincing victory against the new team, Central Altona, last week.

Although Laverton defeated Williamstown Rovers last Saturday, they do not appear to be quite up to the standard of Werribee South, whom they meet on Saturday.

Bill Devereaux should give Laverton great drive from the centre, but this advantage should be offset by South's Andrew Gouloupoulos, who appears to have started the season well in the ruck.

It appears a foregone conclusion that I.N.F. will defeat Williamstown Rovers when they meet on Saturday at Newport.

Rovers will need to find a brilliant full back if they hope to prevent I.N.F.'s Sam

CENTENARY SHIELDS FOR BOTH FOOTBALL COMPETITIONS

Prior to the unfurling of I.N.F.'s 1962 Premiership Pennant at Chirnside Park, Werribee, last Saturday, Cr. H. L. B. Powell handed to the Werribee Football League President Mr. Jas. Dorgan, two Shields to be presented to each Premier Team for season 1963.

The Shields are a donation from the Werribee Centenary Committee, of which Cr. Powell is the Chairman.

Pante from repeating his goal kicking spree of last Saturday. Pante is very strong in the air and once he has the ball you can be sure of a goal as he is also a very accurate kicker.

If Metro. Farm can repeat their performance of last Saturday and kick a percentage' boosting score against Central Altona on Saturday at Soldier's Reserve, Werribee, they should be able to get close to top position on the premiership ladder.

Centrals appear to have a very young side and success is going to be hard to come by this season.

Laverton Wins Easily

LAVERTON v. WILLIAMSTOWN ROVERS

Laverton were at home to the Rovers last Saturday and commenced the season with a good win.

	Laverton	Rovers
1st Quarter	4 2 26	1 0 6
2nd Quarter	4 4 28	3 3 21
3rd Quarter	9 11 65	3 4 22
FINAL	9 11 65	6 10 46

In a game which was affected by the blustery wind, Laverton played well as a team and with Devereaux playing well in the centre, were able to withstand a belated last quarter bid by the Rovers to win by 19 points.

On the whole, the game was played in good spirit, although there were odd incidents which kept the crowd on their toes for most

of the game.

Best players, LAVERTON.—Devereaux, W. Cameron, Taylor, Cecchin and Chandler. **W'TOWN ROVERS.**—Dingey, Spence, Burridge, Guy and Wooley.

Goal kickers, LAVERTON.—Devereaux 4, Simpson 2, Allan, Sewell and Tibbles 1 each. **W'TOWN ROVERS.**—Wooley 2, Dingey, Spence, Wilkinson and Davies 1 each.

NEWPORT TROUNCES CENTRAL

NEWPORT v. CENTRAL ALTONA

Newport, in the opening game of the season, had a convincing win over the youthful and enthusiastic Central Altona side at Newport last Saturday.

	Newport	Centrals
1st Quarter	6 8 44	0 0 0
2nd Quarter	13 12 90	0 0 0
3rd Quarter	20 19 139	0 0 0
FINAL	21 20 146	3 0 18

With great strength and experience, the home side were able to score 20 goals before Central Altona managed to score their first goal.

The Newport half back line, led by Withers, played brilliantly all day and they did particularly well in the last quarter when Centrals were desperately trying to put a goal on the scoreboard.

Through their determination, the young side were able to score three goals in the last term through the agency of Peatling, whilst their oppon-

ents could only manage one goal one behind.

Centrals showed great courage and shouldn't be disheartened by their first up performance.

Best players, NEWPORT.—Johnston, Sievwright, McNamara, Young and Withers. **CENTRAL ALTONA.**—K. Murrell, Peatling, Wallace, Greig and Cox.

Goal kickers, NEWPORT.—McNamara 5, Sievwright, Young, Ackerly and Evans 3 each, Muschiali 2, Johnston and Woodsall 1 each. **CENTRAL ALTONA.**—Peatling 3.

JUNIOR RESULTS FROM SUNDAY

CENTRALS EASY WIN

RECORD 20,500 PERCENTAGE

CENTRAL ALTONA v. NEWPORT

Central Altona were too strong for the under-sized Newport side in their game at Langshaw Reserve on Sunday.

	Centrals	Newport
1st Quarter	8 10 58	0 0 0
2nd Quarter	13 18 96	0 0 0
3rd Quarter	24 25 169	0 0 0
FINAL	29 31 205	0 1 1

Central's coach Sellman, was very impressed and is of the opinion that the team is even better balanced than the team that won the premiership last year.

Best players, CENTRAL ALTONA.—Peatling, Gather-

cole, Wallace, Matheson, Bar-

hard. **Goal kickers, CENTRAL ALTONA.**—Wallace 9, Peatling 5, Gathercole and Crawford 4 each, Hill and Kakoschke 2 each, Banks Statkowiaki and Matheson 1 each.

Strong Defence Wins for Werribee South

WERRIBEE SOUTH v. I.N.F.

Superior rucks and rovers and a stronger defence enabled Werribee South to defeat a vastly improved, hard tackling, I.N.F. in their clash at Chirnside Park last Sunday.

	W'bee Sth.	I.N.F.
1st Quarter	2 5 17	1 1 7
2nd Quarter	4 8 32	3 3 21
3rd Quarter	6 12 48	4 3 27
FINAL	8 18 66	5 4 34

Best players, WERRIBEE SOUTH.—Cannell, Cullen, I. McNaughton, Brown and Stewart. **I.N.F.**—Richens, R. Reidy, Maher, Peters and Baxter.

Goal kickers, WERRIBEE SOUTH.—Tyquin and Cullen 2 each, G. McNaughton, Edwards, Phelan and Stewart 1 each. **I.N.F.**—Richens, Wall Rigo, Bell and R. Reidy each.

Altona Narrowly Defeated

WERRIBEE v. ALTONA

In adverse conditions for football, Werribee were at home to Altona in the main game in the Junior Competition last Sunday.

	Werribee	Altona
1st Quarter	0 4 4	1 1 7
2nd Quarter	4 8 32	4 3 27
3rd Quarter	6 12 48	5 5 35
FINAL	8 13 61	8 10 58

Altona, taller and heavier than Werribee, opened up against a strong south-westerly and the ragged and scrambly pattern set in the first quarter, was prevalent for most of the day. At the end of a battling quarter, Altona led by three points, due to opportunities frittered away by the Werribee forwards.

Altona looked as if they were to capitalise on the wind in the second quarter.

Munro was marking well and Tyrell and Ewen gave them great drive from the ground, but Werribee became more purposeful in all their moves. Werribee's ruckmen, O'Brien, Bellin and Youla, were winning in the rucks and Smith and Shanahan took the ball from the packs. At the interval, Werribee led by five points.

In a torrid third quarter, the umpire let packs develop and play deteriorated.

With Ewen starring in a roaming role, it was only through Werribee's torrid defence that they kept Altona out. Play became hectic late in the quarter and the ball saw-sawed between both halves. For the quarter Werribee added two goals to Altona's one.

The last term saw both sides throwing everything into a determined battle. Werribee revitalised forward line kicked two badly needed goals and Altona, taking advantage of the wind, added goals only to be narrowly defeated by three points.

Best players, WERRIBEE.—G. Sheahan, Shanahan, Martini, J. Smith and B. O'Brien. **ALTONA.**—Ewen, Munro, Hobbs, Clarke and Tyrell.

Goal kickers, WERRIBEE.—Martini and Phemister each, M. Sheahan, O'Brien, Shanahan and J. Smith each. **ALTONA.**—Bartolo, Hobbs, Munro, Ewen, Clarke, Tyrell and Nowells 1 each.

50 PT. DEFEAT FOR LAVERTON

WILLIAMSTOWN C.Y.M.S. v. LAVERTON

Williamstown C.Y.M.S. won this game by using the wind to advantage in the first and third quarters and defending well in the second term. Laverton did not give in until the final siren and played well to kick three goals in the last term.

	C.Y.M.S.	Laverton
1st Quarter	5 6 36	0 0 0
2nd Quarter	6 6 42	0 4 4
3rd Quarter	11 8 74	0 5 5
FINAL	11 9 75	3 7 25

Best players, C.Y.M.S.—Reiger, Page, Moore, Zamykal and Whetley. **LAVERTON.**—Pine, I. Hamilton, J. Cameron Hogger and Rigney.

Goal kicker, C.Y.M.S.—Reiger 5, P. Vaughan and Gulliver 2 each, B. Vaughan and Newton 1 each. **LAVERTON.**—I. Hamilton, Pine and J. Cameron 1 each.

LAVERTON CRICKET CLUB

PRESENTATION NIGHT

Recently the Laverton Cricket Club held a presentation dance in the Memorial Hall, Laverton.

Crs. Comben, Davis and Gibson presented the trophies to the winners. Club Championship was won by Des Mason.

The Batting Average was won by Boyd Menzel.

The Bowling Average went to John McPherson.

A special presentation as a wedding gift and as a thank-you for his services as secretary was made to Keith Sewell.

In appreciation of their help throughout the last season, Juniors Kevin Jackson and Malcolm Stobie, received special presentations.

WERRIBEE COUNCIL BREVITIES

Moved by Cr. B. Comben, and seconded by Cr. Davis a motion was carried at Friday's Council meeting "That Mr. Picking be appointed caretaker of the Pre-School Centre, Laverton, at the fee of £1 per week.

A motion by Cr. Davis that a further T.B. Campaign be held in the area was carried. A councillor asked him if he was feeling "crook."

No objections were raised at last Friday's council meeting against an application by S. Randall to erect a detached house on Lots 10/1 L.P. Kiora Street.

Among several applications for licences to operate as plumbers in the Werribee Shire was one from Mr. R. Rivett, Altona. All were successful providing they hold the M.M.B.W. Licence.

The Housing Commission has advised the Werribee Shire Council that the matter of correcting the position of the drive at 152 Bladin St., Laverton, is in hand.

PANTRY TEA

Last Sunday afternoon the Local Association of Girl Guides held a pantry tea at the home of Mrs. Jones, of Bladin Street, Laverton, in honour of bride-to-be, Miss Avis Woolmer.

The Association presented Miss Woolmer with a set of silver salt and pepper shakers engraved with the Guide motif.

Among the guests at the tea were the bride's and the bridegroom's mothers, and they all brought along gifts for the pantry.

Concern Over Loan Allocations

At last Friday's council meeting, councillors from other Ridings expressed concern at the amount of loan money being spent in the Central Riding.

At a previous meeting Cr. Bailey of South Riding had asked that a statement of loans and allocations since 1958 be available at this meeting.

He criticised several of the allocations which appeared to favour the Central Riding and said he would fight against future excessive amounts being spent there. The Shire President (Cr. Smith, Central) said projects such as the hospital, Reserves and swimming pool were available to residents of all Ridings and he felt loan money allocated to other Ridings should be spent for these purposes.

Cr. Davis (East) said that figures showed that one quarter of loan money allocated to East Riding had been spent elsewhere and approximately one-third of the money allocated to South, West and North had been spent out of these Ridings. Yet only one-sixth of Central allocations had been used in other Ridings.

Cr. Davis said that the Central Riding hoped to become a Borough. Surely the councillors realised that when this took place the Central Riding would have to reimburse the other Ridings for money spent in Central which had been allocated to the other Ridings.

Werribee Shire is divided into five Ridings, Central, North, South, East and West. Under the Local Government Act money spent in each Riding should be according to the Rates Revenue collected in each Riding.

Altona Shire operates as one area and money is spent where it is felt it is most necessary.

TWINS

During the month of April two Laverton couples did their best to increase the local population.

Mr. and Mrs. G. Wilson of the Married Quarters, R.A.A.F. Laverton, became the proud parents of twin boys.

Mr. and Mrs. C. West, of High Street, Laverton, are thrilled with their twins, a boy and a girl.

COMPLAINT SATISFIED

Action taken by the Werribee Health Inspector (Mr. R. K. Andrew) regarding a complaint about dust from the briquette unloading depot at Laverton has had the desired effect.

At Friday's council meeting the Shire Secretary, Mr. N. Minns, read a letter from the complainant, Mr. R. Baker, 31 Railway Avenue, Laverton, voicing appreciation of the action taken. He said there had been no deposit of dust in his house for over a week, which was the longest period for months he had had no trouble. He maintained that he had experienced nuisance from dust despite other residents denying any inconvenience.

The Health Inspector had instructed the proprietor of the depot to clear up broken briquettes and dust. The water spray system had also been modified to give greater efficiency.

LAVERTON A.L.P. QUERIES

The Laverton Branch of the A.L.P. inquired of the Shire Council if soil similar to that being placed in playgrounds in the shire would be available for sale to rate-payers.

There appeared to be a little uneasiness caused by the inquiry but Cr. B. Comben finally moved that the name of the contractor be given to the A.L.P. Seconded by Cr. Davis the motion was carried.

The A.L.P. also suggested that load limits be placed on streets adjacent to Maher Rd.

Cr. Davis said load limits had been considered on several roads in the East Riding. He moved that the A.L.P. be informed that the council has had the matter in hand for three months. The motion was seconded and carried.

oOo

STREET STALL

The street stall being held in Railway Avenue, Laverton, on Tuesday, May 7, will be conducted by the ladies of the Laverton Scouts Association. Your patronage will be greatly appreciated.

BIRTHS

Marlene and Dennis Corcoran, of Goble Street, Laverton, have become the proud parents of a baby daughter.

With the arrival of a baby daughter Ann and Tom Glau-bitz have evened up the sexes in their family. They now have two boys and two girls.

Michael John is the name chosen by John and Pat Turner for their baby son. With Terese they now have a pigeon pair.

1st LAVERTON BROWNIE PACK

Since this Pack was resumed last September after a recess of a few months there have been three enrolments and will be two more within a few weeks.

Three have obtained their Golden Bars and these same three are working hard for their Golden Ladders. Six of the Brownies have obtained their Thrift Proficiency Badges.

Recently Peta Green (Gnome) Carlin Nimmo (Elves), Winsome Mierisch (Fairies) were made Sixers, and Gloria Schneider (Gnomes), Debra Willcocks (Elves), and Cheryl Sadler (Fairies) were made Seconders.

Arrangements are being made to take the Pack on a tour of one of the chocolate factories during the school holidays.

The Pack is very fortunate in having Jill Sewell as Pack Leader, who the Brownies have named Blue Bird.

The Brownies of this Pack wish Mrs. McMaster (Brown Owl) of 2nd Laverton Pack all good wishes for a speedy recovery and hope she will be out of Hospital soon.

LAVERTON GIRL GUIDES

Two Guides from the first Laverton Girl Guide Company attended the Regional Camp at Creswick, outside Ballarat, at Easter.

According to the girls they had a marvellous time, so much so that no-one wanted to come home.

The food was very good and even though under canvas the luxuries of home were present. Both Guides on being asked, said, "We wouldn't have missed it for anything."

The result was the girls had their first class camping under canvas passed, another step towards the groups first "First Class Guide."

On Thursday, April 18, the Laverton Girl Guide Captain, Miss Avis Woolmer, enrolled Sandra Tibbles and Invested the four Patrol Leaders, as her last duty before retiring, as she is to be married on May 11.

On Friday the Guides, and many of the ex-Guides of Laverton gave her a surprise Kitchen Tea at Mrs. Alexander's home.

Over 30 girls had a lovely buffet tea and then amidst much laughter, saw colour slides of themselves, taken over several years of Guiding.

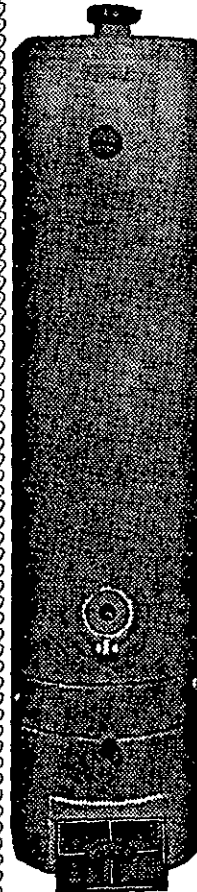

Later, Miss Woolmer opened all her gifts and thanked everyone for such a lovely evening and all the lovely presents.

The evening finished with supper and Miss Woolmer cutting her Trefoil cake made by Mrs. Alexander.

AROUND THE GREEN

Last Thursday the winning rink skippered by Ian Douglas included Jess Grant, Alan Gore and Jane McNeillage. Among those missing on this day was Alice Newton—was her grandmother's party too much for her?

On Saturday the men had a working bee on the greens and the women slaved away cooking the biggest T-bone steaks they had ever seen—they had to make sure the men had the energy to carry on with the work.

Sunday was the last of outdoor bowls for the season and members made the most of it. It took the form of a novelty day and the winning rink, skippered by Winnie Neale included Mary Tyquin and Alf Gischus.

Runners up were John Newton, Laurie Cox and Jan Douglas.

Trophies were donated by Nonie Tyquin.

Lowest scoring rink included Dulcie Shaw, Pat Gischus, Ian Douglas and Edith Roach (skipper).

Other winners included Miss Farrant, Mrs. Tyquin, Mr. Blair and Mr. Bush.

Birthday greeting to Bill Grant, whose wife deserted him to join the rush to Mil-dura.

KOORINGAL GOLF

Saturday's Bogey results are as follows—

A Grade: G. Welsh (6), 3 up.

B Grade: R. Keegan (17), 2 up, on a count back from R. Liddle and G. Nicholls.

C Grade: M. Scurrie (18), 4 up.

Sunday's Stableford competition resulted in A. Chisholme with 38 points winning from F. Boden, 37 Pts, J. Oswald, 36 points, and K. W. Beasley, 36 points.

Associates Bogey was won by Mrs. Emerson, who finished square (30).

The second round of the pennant season saw the seniors defeat Royal Park 6-1. The juniors, after a very close struggle, were defeated 3-2 by Commonwealth.

This Saturday's pennant games are Seniors v. Waverley at home, and Juniors v. Medway away.

Next Saturday is also Club Monthly Medal Day.

ALTONA HOCKEY CLUB NEWS

A GRADE again showed bad form when they were soundly defeated by Footscray last Saturday 2-0.

This is the third defeat in as many weeks this team has suffered and are now on the bottom of the ladder and if something is not done very soon they look certain to remain there for the rest of the season.

B GRADE, playing systematic hockey in all positions were soon into attack and scored the first goal within minutes of the start and looked certain of a good score.

But this was not to be as Essendon Grammar played good, strong hockey, only to be kept out by good play by the Altona defence.

Altona, slowed in the second half, but were able to keep out the opposition and went on to win their third game in a row 2-0, and are now equal top on the ladder.

Best players: T. Smith, C. Turner and J. Gordon.

Goals: K. Burgess, 2.

C GRADE, with good position play by the forwards, gave Altona a cricket score of 8-0 against a weak opposition.

The game from the spectator's point of view was not very good as the ground was like a cow paddock, which leads to rough and dangerous play, but Altona were able to get on top of this as the scores indicate.

Best players: C. Trickey and S. Hyde.

Goals: C. Trickey, 4; S. Hyde, 3; J. Bartlett, 1.

THIS WEEK'S GAMES

Matches for Saturday, May 4, are as follows—

A Grade at University at 1.45 p.m.

B Grade at University at 3.30 p.m.

C Grade at Home against Ivanhoe at 3.30 p.m.

Under 15 have a bye.

Under 13 at Kew at 10.30 a.m.

UNDER 15

Under 15 defeated Essendon 2-1 in an even game at Altona.

Best players: Bruce Forrester, Shane Cronin, Ross Ford and Graham Page.

Goal scorers: David Spackman and Shane Cronin.

UNDER 13

Under 13 defeated Footscray 3-2 in an exciting game at Altona.

Best players: Bill Duncan, Brian Antonoff, John Golden and John Trickey.

Altona's under age teams are conducting a Tyre Drive on Sunday, May 5, and any old tyres will be appreciated.

West Newport Baseball Club

Playing as a team, West Newport defeated their old rivals Y.M.C.A. 4-1 last Saturday to avenge the defeat Y.M.C.A. gave them in the semi-finals last year.

The battery, Tony Michael pitching to Jimmy Michael, performed well. Tony struck out 10 Y.M.C.A. batters.

John Armstrong, playing his first senior game, performed well at third base. This boy shows a lot of promise.

Y.M.C.A. obtained a one run lead in the first innings and held West Newport scoreless for three innings. Then with good batting and base running West scored two runs to give them a 2-1 lead. Two more runs in the following innings put them well in front at 4-1.

Best players: Alan White, who fielded well at short stop and also got three safe hits; John Armstrong, and Kevin Michael.

Safe Hits: Alan White, 3; Alan Solomano, 2 (including home run); Kevin Michael, Tony Michael and John Wallace, 1 each.

INNINGS SCORES

West. 000,220-4.

Y.M.C.A. 100,000-1.

B TEAM

The B team played away to Essendon and were narrowly defeated 6-5.

Playing their first game, and with a new battery of Alec Parker pitching to Alan Boxshall, the team combined well and held Essendon scoreless until the fourth innings when the more experienced Essendon side scored four runs to lead 4-0.

Then in the sixth innings West Newport, with good teamwork and batting scored five runs. An umpiring mistake may have cost West Newport the game as time was called 30 minutes too soon.

Best Players: Alec Parker, Don Bearman, and Ray Scott.

Safe Hits: Alec Parker, Don Bearman, A. Boxshall, Ray Scott and D. Swallowell.

JUNIORS

West Newport Juniors played away to Newport and were defeated 7-4.

Considering it was the first game of the season play was good, with Newport scoring the first run.

Then West scored four runs in the second innings to lead 4-1.

But many errors in the third innings cost West Newport the game.

W. Balcum played well in his first game with a good three bag hit. D. Henderson also caught well.

Best Players: W. Balcum, D. Henderson, and T. Whitlock.

THIS WEEK'S GAMES

A TEAM will play Northcote at West Newport at 12.30 p.m.

B TEAM are away to Newport Baptists, to be played at Spotswood Football Ground at 12.30 p.m.

JUNIORS are to play at Loft Reserve, West Newport, against Brunswick at 9.30 a.m.

oOo

BOWLS CHAMPIONS

With the last of the games played the winners of the men's championship events in the Altona Bowling Club have been decided.

Winners are—

Champion, Bert Hill; Runner up, Tom McMahan; Pairs, Ian Douglas and Bill Walsh; Runners up, Austin Malloy and Tom Mitchell; President's Trophy, Alby Clarke; Runner up, Bob Don; Consistency, Bob Don; Runner up, Alby Hansen.

TABLE TENNIS NEW

WINTER PENNANT

The Table Tennis Centre, in Garden Street, Williamstown, will be a hive of activity this week, with the first round of the winter pennant competition in progress.

Fifty-four teams have entered in nine grades, with C3 and D3 on Wednesday, A Reserve, C2, and D2 on Thursday, and A, B1, C1, and D1 on Friday evenings.

The Centre will still be available for casual players and social bookings, but naturally the best nights for this purpose will be Monday, Tuesday, or Wednesday; the Centre is also open on Saturday evening and Sunday afternoon, when eight tables are freely available. School sports afternoons may also be held at the Centre by arrangement with Mr. J. L. Wylie, 65-6863.

A committee meeting of the executive of the Western Suburbs Association will be held at the Centre on Monday next, May 6.

New teams whose progress will be watched with interest include Brooklyn Youth Club and Parkinson Industries. A welcome is also extended to former teams who have re-entered competition ranks in Rheem, R.A.A.F., Mepharm, Ferguson, Williamstown Life Saving Club and Esplanade.

Top grade matches this week are—

Friday, A Grade.—A.G.M. v. Seagulls. Maldstone v. Williamstown L.S.C. Esplanade v. Altona. Footscray C.C. v. Footscray.

Thursday, A Reserve.—Altona Petrochem. v. Bulldogs. Kingsville v. Seagulls. A.G.M. v. Bulldogs.

Friday, B1.—Auto Comp. v. Warren & Brown. Standard Steel v. Footscray. Newport Presbyt. v. Apex Beiting.

oOo

KOORINGAL GOLF ASSOCIATES

A Grade winner of the Stroke Competition was won by Mrs. P. Reynolds (24), 77 and the B Grade winner was Mrs. A. Stewart (33), 72. Mrs. Stewart was also the first Medal winner for the season.

MORE TENNIS TITLES TO ALTONA

John Butterworth, the 14-year-old son of Altona and Gwen Butterworth, Grieve Highway, is following in Dad's footsteps when it comes to tennis championships.

John entered five junior events in the Williamstown Yarraville and Altona combined district championships and won three of the championships, was runner-up in one and reached the semi-final in the fifth.

He won the C Grade Singles title, C Grade Doubles, and with Michael Kelly of Altona won the Under 15 Doubles event. He was runner-up in the Under 15 Singles championship.

Dad, formerly Altona District champion for five years won the Veteran Doubles with Kevin Clark of Newport.

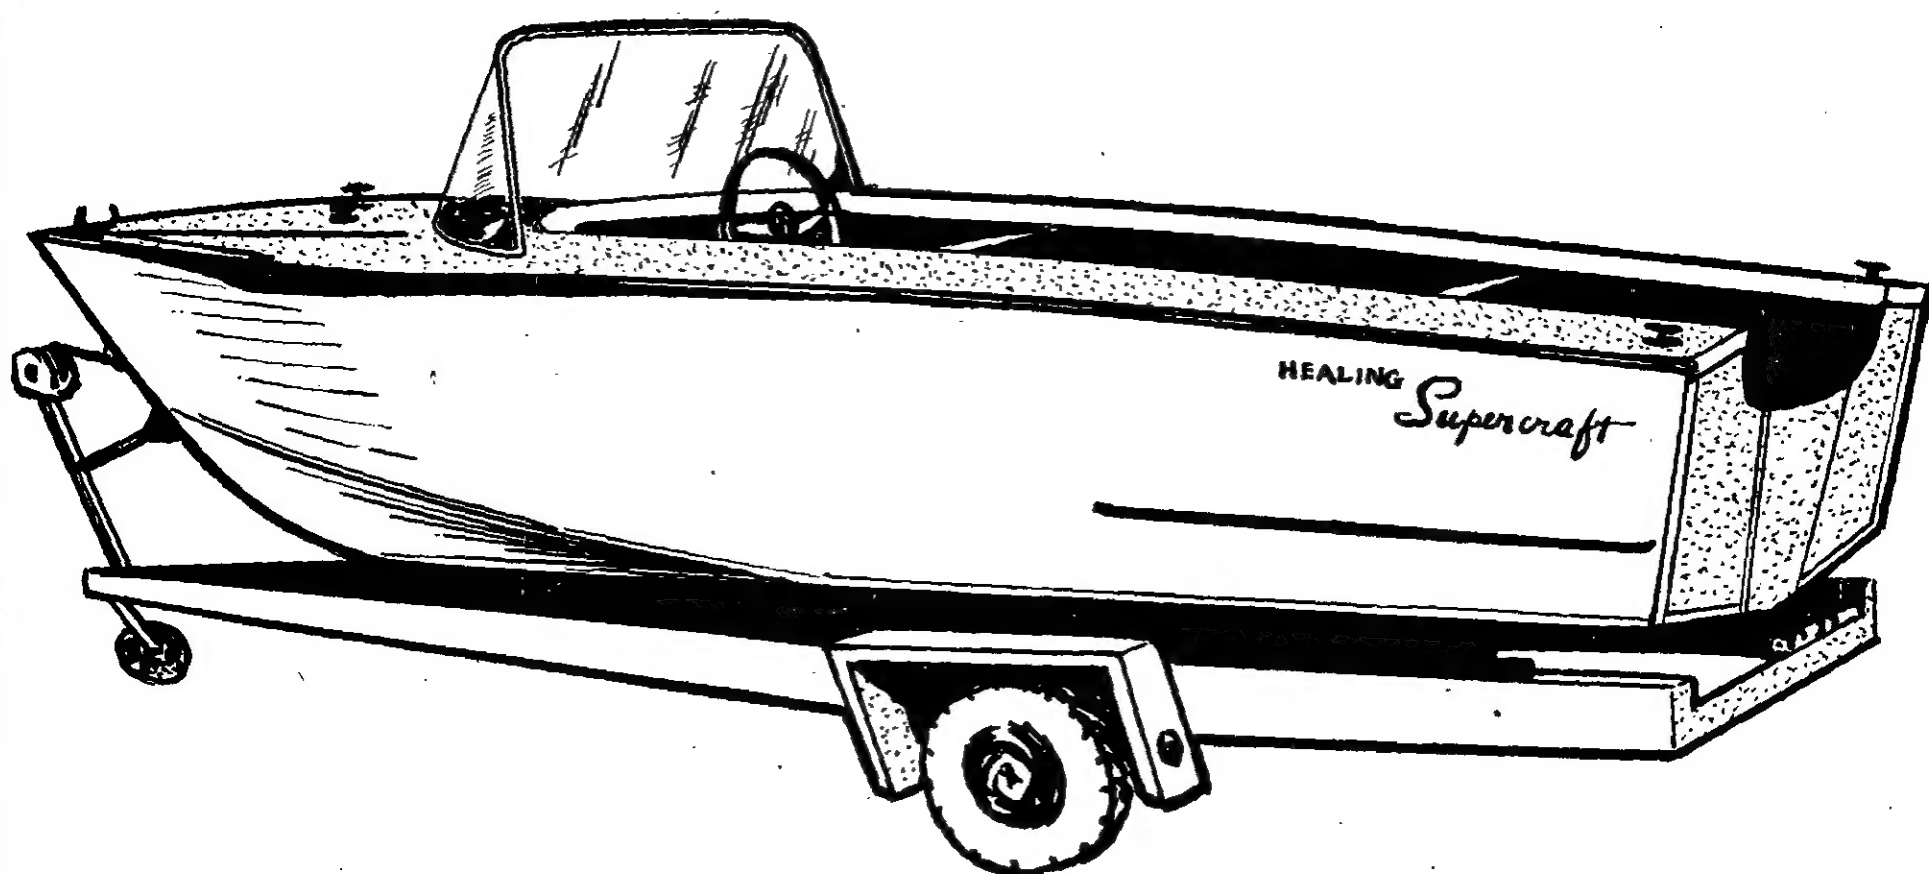

But Mum and Dad were successful in the A Reserve mixed doubles.

P.S. John's eight-year-old sister, Lee, is going to start learning to play tennis soon.

FIRST NATIONAL MARCHING MEDALS FOR VICTORIA

After 13 years of competitive marching in Australia the first medals for actual drill ever to be won by Victorian teams were brought home by the Flamingoes from West Newport, and the Marintots from Frankston, both Midget Grade teams.

The Flamingoes took third in the March Past and the Marintots an individual medal for third Best Leader. Altona Amethysts, although not among the place-getters, also gave a nice display and compared very favourably with the top teams from other States, as did all other Victorian teams who competed at Warwick Farm, New South Wales.

Mr. E. Jorgensen, who instructs the Flamingoes, is very proud of the fact that his team was the first to take the medal home and the following is his comment on the Championships—

"It was very apparent during the three days of the titles that the Victorian standards have risen sharply.

"It was a very picturesque setting at Warwick Farm, where the contest was held on the lawns in front of the stands. I must admit that as the contest got under way I expected our home teams to carry out the usual annual display of appearing to be rank beginners against the more experienced interstate girls, but not so, this time they held their own and in all grades finished much nearer the top of the list than the bottom.

"I must congratulate all teams and the people behind them for a magnificent effort they carried the banner of Victoria proudly and held it high enough so that in future our name will not be taken lightly. Instructional and judging methods improved during the past season and will, I am sure, be even better in the future. This must raise the standard of our teams so that soon it will be Victorians who bring home the gold medals."

Champion teams for 1963 were—

SENIOR.—Stockton Bal-morals, N.S.W.

JUNIOR.—Carmertonettes, South Australia.

MIDGET.—Robinettes, Sth. Australia.

Shields for the Best Victorian teams went to—

SENIOR.—Heinz, Dandenong.

JUNIOR.—Footscray Naval Cruisers.

MIDGET.—Flamingoes, West Newport.

The Robinettes and Mardi Gras Reds—1st and 2nd respectively in the Midget Grade and the White Heathers 2nd in the Senior Grade at the Australian Championships, all come from Port Pirie

in South Australia. They were greeted on arrival home with a civic reception and welcomed by the mayor. A fitting finale to a job well done.

VISIT TO ECHUCA

Three teams from Williamstown visited Echuca last Sunday with excellent results. Seagulls and Waves in their respective sections both won 1st Display, 3rd Championship, 3rd Aggregate, whilst Marilyn Horsborough won 2nd Best Leader and Julie Bell 1st Best Midget Leader.

Congratulations to Val Newgreen of West Newport coralettes, who celebrates her 21st birthday this weekend.

West Newport Rosettes and club officials held a waste-paper drive throughout a small section of their area last Sunday. Thanks go to all people who donated papers and bottles.

TEAMS FOR MILDURA

Williamstown and West Newport teams are travelling to Mildura for the final contest of this season over the Queens Birthday weekend.

**UNLICENSED DRIVER
DROVE UNREGISTERED
VEHICLE**

Ralph Courtney Cox, 17 years of Mason Street, Newport, was fined £2 for riding a motor cycle in Millers Road, Altona North without wearing a helmet, £2 for riding when unlicensed, £5 with an additional penalty of £5 for riding an unregistered motor cycle and £2 for riding a motor cycle not covered by third party insurance.

Const. A. Timms said his attention was drawn to Cox riding a motor cycle without a helmet. Cox said he had one at home but the strap was broken. He did not have a licence and was not registered or covered by third party insurance.

Mr. P. J. O'Connor, S.M., told Cox he must learn to have a bit more respect for the law, he could not ride motor cycles without being licensed.

Noisy Car

Roger Sharrocks, 20 years, of Somerville Road, Yarraville, was charged that on February 17, 1963, at Altona being the driver of a car in Railway Street, he did cause an unnecessary noise with the horn of such car. Also that he did use threatening words in a public place, to wit, Pier Street. He pleaded guilty.

First Const. Church of the Wireless Patrol said at 12.45 a.m. on February 17 he was on duty in Railway Street, Altona, about 20 yards from Pier Street. He heard a car horn sound eight or nine times loudly in Pier Street. He went there and saw defendant driving north in Pier Street. As he crossed Railway Street he blew the horn again two or three times. He passed another car, did a U turn and followed that car.

Const. Church stopped him and asked why he was sounding the horn. Defendant said he was telling his cousin he was there, it was his cousin who drove past in the second car. Told the matter would be reported, Sharrocks said, "That's really something, I'll see you in Court about this, it's really a laugh." Then he said, "You're not bluffing me, I'll have you out in a paddock any time." He was told there was no need to talk like that, but that it was going to be reported.

He then said, "I'm not so small. I'll give you a thrashing, you may be bluffing but I'm not. You'll report nothing, I'll flatten you."

He was then told he had better go home or he would get himself into more trouble. He had been drinking but was not drunk.

In reply to Sharrocks, Const. Church said he did not threaten him at any time, but only told him he would be reported. Const. Blight said he was present all the time and Sharrocks was never threatened.

He was fined £5 on each charge and then fined £5 on each of two charges that were adjourned from October 27, 1962, on entering a £5 recognizance to be of good behaviour until April 24, 1963. They were for restricting R. Mickam in the execution of his duty and for using threatening words in a public place, to wit, the Junction Hotel. He also forfeited his recognizance.

FINED OVER .22 RIFLE

Brian Gordon Fuller, 17 years, of the Migrant Hostel, Kororoit Creek, Road, Williamstown, was charged with having a pea rifle being under the age of 18 years, and David James Fuller, 19 years, of the same address, was charged with giving a rifle to a person under the age of 18 years and with giving cartridges to a person under 18.

Const. H. Blight said on February 19, 1963, he was on vacant land near the Williamstown Racecourse. Brian Fuller was there with two other youths. He was carrying a pea rifle, produced in Court. It was not loaded but there were three cartridges in the magazine. He said he had been shooting, and had fired about five cartridges. He produced a further 10 cartridges from his pocket. In an interview at the Police Station he said he was interested in shooting.

He had bought the rifle from the Melbourne Sports Shop, he thought, in the city, but was not sure where it was as he had only been in Australia 12 weeks and didn't know his way around. He told the man in the shop he was 18 so he did know he should have been 18 to have the rifle.

Const. Church said he saw Peter Fuller, 13 years, with a rifle and cartridges near the racecourse. He interviewed David Fuller later that night and he admitted lending the rifle to his brother and giving him about 14 cartridges.

As no evidence was given to the grains in the cartridges, Mr. P. J. O'Connor S.M., dismissed the charge about the cartridges, but fined both boys £2.

The D.L.P. Says

The four Oakleigh councillors were suspended by the A.L.P. for voting that £30 for catholic schools be added to money made available by Oakleigh Council for scholarships to State schools.

This should cause no surprise when one of the decisions carried at the 1956 Conference of the Victorian Branch of the A.L.P. is examined, that is item 237 from the Ivanhoe Branch—

"That conference affirms that education in Victoria shall be free and secular from the nursery to the University and that no State grants or allowances be given to any private or registered denomination school."

Democratic Labor believes that the parents of children attending Protestant, Catholic or Jewish schools are entitled to a return of the taxes they have paid for their children's education.

These schools are required by the Government to maintain the same curriculum as State schools and are inspected by inspectors of the State. All teachers must be registered with the State Education Department.

The D.L.P. believes in equality in education and financial aid to all form of education.

In the matter of education the D.L.P. insist that—

- ★ The parents are the natural educators of the child, and they alone have the right to choose the sort of education they want for the child;
- ★ The State has the right to insist on the minimum standard of education it wishes children to achieve but has no right to determine the sort of education they shall have;
- ★ All children are equal before the law;
- ★ It is manifestly unjust and wrong in principle to make education compulsory for all, but free only for those taxpayers who accept the State system of secular education; and
- ★ The question of financial

LABOR VIEWS

The late Edgar Russell, Labor Member of the Federal Electorate of Grey in South Australia, was ardent advocate of building the standard gauge railway between Broken Hill and Port Pirie. For 13 years he was told by the Federal Government that it could not be done.

Shortly after Mr. Russell's death, the Post-Master General and Deputy Leader of the Federal Country Party stated that he could think of nothing more dangerous than the creation of an efficient road and railway system for Australia. This, said Mr. Davidson, would provide Australia's enemy with an easy route to the heart of the continent.

Then a few days later, the Prime Minister announced that the Port Pirie-Broken Hill project would be commenced.

How remarkable! For 13 years the Government say "No" to Mr. Russell. One week the Post-master General says that rail standardisation would be a betrayal of Australia's security.

Suddenly, some one in the Liberal Party wakes up to the fact that there will be a Federal by-election in Grey on June 1. And the Prime Minister immediately announces that the project will commence.

What a shocking state of affairs. What a way in which the nation's development is managed. Australians living in country areas must wait for by-elections before being provided with the means to secure effective and genuine development.

The Australian Labor Party believes that decentralisation, development and expansion are the key not only to Australia's internal prosperity, but also to its future security.

New areas must be opened up. Ways must be found to keep existing secondary industries going and to provide new ones. Good roads, fast railways and efficient air services must be established.

Migrants should be encouraged to go into the coun-

assistance for children attending private schools is not a sectarian question but one of equality before the law of all Australian children in the matter of education.

T. W. LEONARD,
Press Correspondent,
Altona Branch, D.L.P.

try-side and the difficulties which now exist must be removed speedily. Every inducement must be given to keep young people in the country areas. The drift from the land must be halted. If Australia does not stop some one else will.

In the last State Elections of 1961, the Labor Leader, Clive Stoneham, promised to establish a Minister for Decentralisation and Development. The activities of a mischievous and unrepresented minority group kept the Labor Party out of office and ensured the return of a lethargic Liberal-Country Party Government.

Since these elections, nothing has been done to effectively assist country development. More industries have closed.

City based monopolies have spread their tentacles to swallow up country industries. Unemployment in country towns has remained high and more is forecast. More and more young people are getting beyond the metropolitan area.

This has got to stop. Compared with the other mainland States, Victoria is small. With a dynamic, progressive and energetic government, it could give a lead to the whole of Australia.

That lead will not come from a State Government which depends for its existence upon a minority Party. Nor will it eventuate from a Federal Government which waits for by-elections before doing anything of a constructive nature. Australia and Victoria have waited too long. If it waits much longer it may be too late.

The 3rd Senior Circle for 1963 resulted in No. 10 being the winner.

ALTONA JUNIORS

A social meeting will be held on Tuesday, May 7 at 8 p.m. at the home of the Social President, Mrs. Jean Summin, 13 Webb Street, Altona.

JUNIOR CIRCLE

The Junior Circle winner for this week was No. 10.

The bus will leave for Grey Reserve, Kororoit Creek Rd., Williamstown, at 1.30 from the Post Office. It will also pick up at Green's Dairy at 1.45 p.m.

CENTRAL ALTONA

The Centrals are eagerly looking forward to meeting last year's runners-up at the Central ground on Sunday and assure their many followers that they will witness a close and enjoyable game of football.

Prior to the commencement of the game last Sunday Central Altona unfurled the premiership pennant of 1962, when Cr. A. W. Bond, Shire President, addressed both teams and wished them success and also congratulated the premiers on their efforts last year.

Mr. Mason, secretary of the Werribee Football League, then presented the flag to Keith Murrell, captain of the

1962 team, who unfurled the flag amid three hearty cheers from all.

The dance on Saturday night at the Youth Hall was a very successful one when a record number of dancers attended.

These dances are proving successful both socially and financially to the club and they will be held every three weeks until the end of the football season. The music is supplied by Eddie Wardle's Tip Top Band and as the name implies, they are "tip top."

The club would like to thank Ted Whitten for the donation of a trophy and assure him that all players are striving to win this.

METRO. FARM

Congratulations to vice-captain John Cooney, who played his 100th game with Farm on Saturday.

ELECTRICITY CONNECTED UNLAWFULLY

Attilio Grego, of 6 Davies Street, Newport, was fined £3 with £5/10 costs for connecting electricity to a house at 55 Sixth Avenue, Altona Nth without the consent of the State Electricity Commission.

Mr. Douglas, an investigation officer for the S.E.C. said he went to 55 Sixth Ave. on February 21, 1963, and found power was made available to the house by a metal conduit in the fuse box. The conduit was not the type used by the S.E.C. He interviewed Grego who said he used to live at Sixth Avenue and it was disconnected by the S.E.C. for non-payment of rates. He had been in financial difficulties and connected the supply with the piece of metal, but did not remember when.
